Interests

Tell us in which areas you are interested in volunteering

Public Awareness-as we are entering into “festival season” we need volunteers knowledgeable about KUER and its programs to represent us at various booths and community events. We will be looking to set up KUER booths at outdoor concert series, festivals, farmers markets, etc. Volunteers are needed to set up and host (sit at) the booths during events. This is a great way to get out in the community and share your love of KUER!

Office Support-We have many KUER members, which is great! It also means that we send out a lot of pledge bills, thank you letters, connections cards and general correspondence. We need volunteers weekly to help us fold, stuff and send information! We also need help with shredding, filing, etc. Ideally weekly or monthly volunteers would be perfect!

___**Special Events**-There may be times throughout the year where we need volunteers to help us at our special events. We would need help with event set-up, clean-up as well as assisting with check-in and directing guests.

___**Fund Drive**-We need volunteers to answer phones and take pledges during our fund drives twice a year. This is the busiest time for our volunteers and we usually have over 100 people each fund drive helping us.

___**Other Needs**-As the station grows we find the need for special volunteer tasks such as graphic design, photography and engineering.
